Gisevius Manuscript

Mr. Rawson of Putnam's called today to express interest in the Gisevius book. He had a letter from Mr. Bigelow, formerly with the American Legation in Bern. I told Mr. Rawson I had no copy of the book or manuscript available as they had all be farmed out but if he could get a copy and was interested in making an offer, I would transmit it. Mr. Rawson seemed doubtful that he could get a copy in time, but asked me to let him know if we did not get a satisfactory offer, as in that event he would like to make a bid on it.
